We're here for you

Welcome to our first issue of the Dentist@Redhouse newsletter. We hope you enjoy our bite sized pieces of news and information about the practice, the team and the treatments we offer to keep you smiling all through the year.

Dr Dinesh Phakkey – Director
BDS MFGDP(UK) DPDS Dip Imp Dent RCS (Eng) FFGDP(UK)
PGCME

Give it up – your teeth will thank you!

Did you know that October is National Stop Smoking Month? Giving up cigarettes has so many benefits, including helping you have healthier teeth and gums. Smoking encourages tartar to build up, causing gum disease and tooth decay. So why not make this October the month you finally give up. We can help with a soft tissue **check-up** and advice on cleaning your teeth to make sure your mouth is healthy and your teeth are looking their best.

Smile Makeover

Get ready for winter, and the party season, with a new smile. We offer many ways to boost your confidence, from tooth whitening to dental implants. You could soon be like Redhouse patient Andrea. She's recently got her smile back thanks to dental implant treatment from Dr Phakkey. She has one word describe her experience: "wonderful".

Visit our **website** to find out more or call us on 01527 63141.

Website

We've been welcoming people to Redhouse since 1946 and always enjoy seeing you in the practice. Now you can also keep in touch with us by visiting our new **website**. You'll find information about our treatments and the team who look after you, as well as advice on looking after your teeth. We'd love to hear your thoughts about Redhouse, it takes just a few moments to tell us at **www.dentistfinder.net**. Just search for Dentist@Redhouse and follow the instructions. Please do get in touch!

News from the Team

It's been a busy summer for us, with lots of news from the Redhouse 'family'. We've recently welcomed two new dentists – **Stephanie Hackett and Arif Razzak**, they're settling in well and look forward to meeting you.

Meanwhile Dinesh and Sarbjit Phakkey, together with their children, climbed to the summit of Kilimanjaro to raise more than £6k for children's charity EducAid Africa. Closer to home a team of ten Redhouse colleagues braved the rain for the Pretty Muddy challenge, raising £780 for Cancer Research UK. They send thanks to everyone who supported them

And we delighted to say Charlotte married Matt; Sarah said "si" to Lewis' proposal in Barcelona, Charliene and Spencer said hello to baby Phoebe and Liz and Martin welcomed baby Ivan as a brother for Ruby. Yes it's all happening here at Redhouse!

We hope you enjoy hearing from us, but if you'd prefer not to receive further newsletters please let us know by emailing info@redhouse.co.uk
