## Smiles All Round

It was a real pleasure to see so many of our patients who joined us for our party last month. Corks were popped, music played and, of course, there was cake!

We pride ourselves on our friendly and professional service. Previous owner, Dr Dev Khosla, established this approach and this was mentioned on the day by his wife Usha (left in photo). Former Mayor and another long-standing patient Madge Tillsley (right) urged us to “keep going, don’t pack up!”.

Seeing the team chatting with everyone and hearing all the good wishes I was touched by the genuine affection felt for Redhouse. It also made me realise that the success of the practice is not only down to us – it’s thanks to you too. You’re part of the family. Happy 70<sup>th</sup> to us all!

Dr Dinesh Phakkey – Director  
BDS MFGDP(UK) DPDS Dip Imp Dent RCS (Eng) FFGDP(UK) PGCME

## Christmas Special Offer

Have you been thinking about [dental implants](#)? Whether you have missing or damaged teeth, a bridge, or wear dentures, or you’d just like a better smile then implants might be for you. Our special offer could make implants a real possibility. Book your treatment between 1 Oct and 31 January 2017 and you’ll **save 15%** on the cost. Plus you’ll get a **free smile makeover**.

Treat yourself for the festive season – [book your appointment!](#)

## Caring for Your Mouth = Caring for Your Health

It's time for your winter health check – October is National Stop Smoking Month. Giving up cigarettes helps you to have healthier teeth and gums. Smoking encourages tartar to build up, causing gum disease and tooth decay. Don't put it off – enjoy the support of others like you, sign up for the [Stoptober](#) campaign and join the thousands who are changing their lives for the better, forever.

In November we focus on mouth cancer with a month-long campaign to raise awareness of the condition. Smoking is a major cause, so is too much alcohol. But with early detection there's a 90% chance of survival which means it's important to get an oral health check with us.

We can help with a soft tissue [check-up](#) and advice on cleaning your teeth to make sure your mouth is healthy and your teeth are looking their best.

### News from the Team

We've said farewell to Lara and Meghesh and are welcoming new dentists Drs Christopher Beech and Tim Browning.

It's celebrations all round as Dental Nurse Sarah married Lewis in August to become Mrs Solway.

As mentioned earlier we celebrated in style at our party. Special thanks to the [Dr Teeth Big Band](#), brilliant face painters [Mini Mayhem](#) and creators of our beautiful cake the [Cake Fairies](#).

And, last but not least congratulations to our party prize draw winners, Andrew Atkinson, Alison Spyer, James Phillips, Clare Willis, Hannah Aryee and Russell Lane. Enjoy your prizes!

For more party photos visit our [Facebook](#) page.
