Our Quick Responses

Every month we're put to the test – the NHS Friends and Family Test. We are required to collect all your comments and feed them back to the NHS. The good news is that the things you tell us are overwhelmingly positive.

But more good news is that we're in the top 10% of practices in our region who send their information promptly. This is thanks to Dawn and Emma on reception. We're grateful to you for helping us meet this target. It makes you, and all of our patients, part of our team!

Let Invisalign Restore Your Confident Smile

If you're unhappy with your less-than-perfect teeth but can't face the idea of traditional braces to straighten them we could have the answer – **Invisalign**.

Our dentist **Dr Pravesh Kenth** uses digital technology to work with you to decide how your teeth will look and then creates removable near-invisible aligners to straighten your teeth. These custom-made alligners allow us to gently move individual teeth to create the exact smile for you.

Get in touch with us for a free consultation to help you decide whether Invisalign is the right approach for you.

FREE Denplan Goodie Bag Time

Planning for a work trip, or hopefully a summer holiday? You might have to travel light but don't forget your toothbrush!

In July and August our **Denplan** patients can pick up their free goodie bag. Each has travel sized treats to ensure teeth are kept in top form wherever their owners might roam! It's one per patient so everyone in the family gets a set.

Don't forget to make your **appointment** soon. The Goodie Bags are with Redhouse now but they won't last long!

You'll find more about the benefits of Denplan on our website.

Tooth Whitening

Why not let us prepare you for late summer holidays and autumn breaks with whiter teeth. We're offering a discount on our popular whitening treatments. For the summer months (from now to Sept 30th) we're offering ZOOM chair side **whitening** for £399 a saving of over £50. Just book it before the 30th September and have the whitening to suit your diary – now or later. Get in touch today to **book your appointment!**

News from the Team

Dr Pravesh Kenth and Dr Michelle Kenth have been getting used to the newest member of their family - little Dillon was born to the couple on 2nd May!

We hope you enjoy hearing from us, but if you'd prefer not to receive further newsletters please let us know by emailing **info@dentistatredhouse.co.uk**
